Dear Parents:

After weeks of brainstorming and anticipation, our new and improved Summer calendar is set! We have several exciting options for your family, and hope you'll find a few that fit your busy summer schedule.

Looking for a creative environment, filled with thematic activities, play and special projects? Discovery School's **Discovery Days** program is just for you! Discovery Days are held on Mondays, Wednesdays and Fridays and are \$40 per session. Choose a single day, pick every Wednesday, or sign up for them all! In addition to a variety of topic-based fun scheduled for each day, campers will have the opportunity to attend Cooking, Spanish, or Motor Skills, cook up some tasty treats, explore literacy connections, and dabble with art.

All Discovery Days are geared for children ages 3 through 8, and classes are grouped by age. We love having ex-Discovery kids return for Camp, as well as siblings, neighborhood friends or relatives. Camp activities are age-appropriate giving the younger groups plenty of hands-on learning and free play, while challenging the older children with a wider range of projects, and more complex activities. All Discovery Days are held from 9:00 – 1:00. Children bring their lunch every day, unless otherwise noted.

Looking for even more? Add on one of our **Cultural Arts** programs. Individual classes in gymnastics, reading, dance, messy art, dinosaurs, math, and karate are offered from 1:15 to 2:00 on Mondays and Wednesdays. Sign up for one, choose a different class each day, mix and match. Stay and Play (supervised care) is also available.

There is a one-time registration fee of \$25 per family for Discovery School Summer programs.

Discovery School has many exciting opportunities for Summer 2017. There is sure to be a session for YOU! So before you plan swimming lessons, that family vacation, or other summer commitments, mark your calendar for our Discovery Days. Grab a few extra schedules for family and friends -

Looking forward to seeing you –
mary

Endless Days of Discovery

Summer 2017

Aloha, Summer!

June 5, 7, 9

Answer the Ocean's call, jump on Moana's boat and sail away to a tropical paradise! We'll make colorful leis, erupt fiery volcanoes, capture the sun like Maui, and cradle the Heart of Te Fiti in a delicate shell. You can tell your story with your "tattoos" or through a Polynesian dance. How far will you go?

On the Move

June 12, 14, 16

We're on the Move! Let's fly through the air, roll over land, or swim through water. We can float on the wind using parachutes, race over the terrain in a balloon-powered car or glide through the ocean deep in a submarine. Spinning, rolling, floating -- let's move it, move it!!

Goin' Campin'

June 19, 21, 23

Pack your gear – we're headin' out! We'll have tent sites indoors and out, follow animal tracks, and go on a Nature Scavenger Hunt. Let's gather round the campfire because marshmallows aren't just for s'mores anymore. You won't be able to "resist" the tie dye t-shirt we make with a rainbow of nature-based colors.

Red, White and Blue and YOU!

June 26, 28, 30

Blast off to celebrate our Nation's Birthday! We'll make patriotic wreaths, firecracker hats, and collages with everything red, white and blue. Ride the wind of Freedom on a 4th of July windsock, and ignite the summer sky with sparklers and fireworks. Happy Birthday, USA!

Cook BOOKs

July 10, 12, 14

We'll cook and eat our way through the day using a menu based on some of our favorite literature. Maybe Muffins for a Moose, a Giant Sandwich for lunch, and more than Cloudy with Meatballs for dinner. No one gets *Chopped* but the veggies, the only *Cake War* will be over which sweet book inspires our dessert. Yummy!

Splashing Around

July 17, 19, 21

It's *HOT!* Cool off with home-made ice cream, running through the sprinkler and squirt gun challenges. Bubbles from our bike wash and our super bubble concoction will fill the sky with rainbow shimmer.

CHILL!

Discovery Days are from 9 am to 1 pm. Activities are geared for 2 to 8 year olds. Children are grouped by age, and projects are age-level appropriate. Please bring a lunch. Snack is provided. Registration fee of \$25 per family is due at registration, and is good toward all Discovery Days and Cultural Arts. Tuition is \$40 per session and is due prior to the start of camp.
