

DISCOVERY SCHOOL SCHOLARSHIP PROGRAM

Discovery School is proud to offer a need-based scholarship program to families seeking tuition assistance. This program is supported through the fundraising efforts of Discovery School's all-volunteer Parent Board of Directors and other parent volunteers. The Scholarship Committee strives to maintain complete anonymity of applicants, and a set of objective criterion is applied to the consideration of each application.

For the 2022-2023 school year, applications will be accepted until May 1, 2022. Scholarship decisions will be made, and families notified of their status, no later than thirty (30) days after receipt of the application. This will ensure that families can make an informed financial decision well before the start of school in the fall and before annual supply fees are due.

Completed Scholarship application packets may be submitted to the Office or electronically via email to discoveryschooltreasurer@gmail.com

Scholarships are only granted to families who demonstrate a financial need for tuition assistance through the completion of our application, which must be submitted along with supporting documents, on or before the deadline. **Late and/or incomplete applications will not be considered.** Additionally, each recipient must agree to: (1) keeping their school account in good standing and (2) a reciprocal arrangement in which the recipient volunteers 1 hour per month for each \$50 per month in scholarship received. These volunteer hours are in addition to the types of activities in which all parents volunteer, such as class pizza lunches or holiday celebrations. Qualifying volunteer activities will be made available to scholarship recipients through the portal. Failure to comply with either of the above mentioned conditions will result in loss of that month's tuition assistance.

The eligibility guidelines for scholarship are tied to the poverty guidelines published each year by the US Department of Health and Human Services. The table below shows the guidelines for 2020. Based on the scholarship funds available and the number of applicants, a percentage cutoff for eligibility is determined by the Scholarship Committee. This cutoff will likely be around 275-300% of the annual income guideline.

Persons in family/household	Poverty guideline
For families/households with more than 8 persons, add \$4,720 for each additional person.	
1	\$ 13,590
2	\$ 18,310
3	\$ 23,030
4	\$ 27,750
5	\$ 32,470
6	\$ 37,190
7	\$ 41,910
8	\$ 46,630

For example, if you are a family of 4 with an annual gross income of less than \$83,250 (300% of \$27,750), there is a strong chance you would qualify for some amount of tuition assistance. Gross income includes base pay, recurring annual bonuses, military housing (BAH)/subsistence (BAS)/other military allowances, recurring interest/dividend income, child support payments, and any other income. Although annual gross income is the primary way applicants are evaluated, any of our families who are experiencing special or short-term circumstances are encouraged to apply.

In addition to the applicants' income, the committee will take into account expenses described on the application, and any other information the applicant feels would help provide a clearer picture of his/her household's financial situation. Scholarship funds will be applied to tuition only and will not include Stay and Play fees, Late Care fees, Registration fees, Supply fees, or Activity fees. Tuition assistance is not intended to subsidize cultural arts classes. In cases where child care is necessary beyond regular school hours, we ask that you make Stay and Play your primary option.

In an effort to cover more of the higher tuition rates in the older classes, for the 2022-2023 year, an additional award of 10% of the tuition rate will be granted to all Kindergarten and First Grade recipients (if your family qualifies for a 20% scholarship - the award would be 30% for a Kindergarten or First Grade recipient). Please direct your scholarship questions to Cynthia Rodriguez, the school Office Manager, and they will be promptly addressed. The decision to grant scholarship funds rests solely with the Scholarship Committee. Appeals will only be heard by the Scholarship Committee and must be addressed in writing directly to them through the Office Manager.

DISCOVERY SCHOOL OF SAN ANTONIO, INC. SCHOLARSHIP APPLICATION

The scholarship for which you are applying is funded with money raised by Discovery School's all-volunteer Board of Directors and other parent volunteers. Acceptance of scholarship funds implies: (1) the applicant's school account remains in good standing and (2) a reciprocal agreement in which the recipient commits to volunteer 1 hour for every \$50 received in scholarship. This volunteer commitment is an addition to the activities for which all Discovery School parents are asked to volunteer, such as class pizza lunches and classroom holiday celebrations. Volunteer hours are evaluated monthly by the Scholarship Committee. Failure to complete volunteer hours will result in revocation of that month's tuition assistance.

Please sign below if you accept this reciprocal agreement and wish to be considered for tuition assistance:
