Scholarship Information

Let us help make Discovery School a possibility for your family! Discovery School is proud to offer financial assistance to qualified families. Although special circumstances are considered for all of our families, the Scholarship Committee will review each application submitted regardless of where the applicant falls within the financial guidelines. In an effort to balance the higher tuition in Kindergarten and 1st Grade, an additional 10% of assistance will be awarded. More information about service hour requirements and application forms are available in the Office, on the School website, on Parent Square, and at registration. All applications submitted by April 1st will be considered, and scholarship determinations are typically made by May.

We appreciate your interest in our School and hope one of our classes will meet your needs. We look forward to hearing from you soon.
