Dear Families:

After *many* weeks of brainstorming and anticipation, our Summer calendar is set! We have several exciting options for your family, and hope you'll find a few that fit your busy summer schedule.

All Summer programs are geared for children ages 3 through 8, and classes are grouped by age. Our Summer classes are open to current, future, and former Discovery School kids, as well as siblings, neighborhood friends or relatives invite them to join you!

Discovery School Summer Options:

Summer Camp: Looking for a creative environment, filled with thematic activities, play and special projects? Discovery School's Summer Camp program is just for you! Summer Camps are held on Monday through Thursday and are \$80 per day or \$280 for all four days. Choose a single day, pick every Wednesday, or sign up for all four days at a discounted rate! In addition to thematic projects, campers will attend Motor Skills and Block Lab, cook up some tasty treats, explore literacy connections, incorporate science discoveries, and dabble with various art forms. Camp activities are age-appropriate, giving the younger groups plenty of hands-on learning and free play, while challenging the older children with a wider range of projects and more complex activities. All Camps are held from 9:00 – 1:00. Children bring their lunch every day, unless otherwise noted.

Extended Hours: Just need more time to play? Add an extra hour of fun to Summer Camp days with **Early Care** or **Stay and Play**. Early Care is offered each camp day from 8:00am – 9:00am and Stay and Play is available from 1:00pm – 2:00pm Monday through Wednesday. Extended hours are \$20/day.

Cultural Arts: Looking for even more? Try one of our **Cultural Arts** programs -- Individual classes in art, Legos, cooking, gardening, STEM, or a Jump-Start in Literacy and Math are offered from 1:00 to 2:00 on Monday, Tuesdays and Wednesdays during Summer Camp weeks. Sign up for one, choose a different class each week, mix and match throughout the Summer. Cultural Arts classes have limited enrollment and are \$30 per day.

Discovery School has many exciting opportunities for Summer 2026, and there's one (or lots!) that are just what you've been looking for! Before you plan swimming lessons, that family vacation, or other summer commitments, mark your calendar for our Discovery School Summer programs. And send a few packets to family and friends!

Looking forward to seeing you –
Your Summer Color Team
